# WHAT WE DO

EFTEC Aviation Group is your reliable partner and a direct supplier of spare parts. Initially starting with teardown of CRJ aircraft type, EFTEC team steadily expanded the list of serviced aircraft to better meet clients' requirements and expectations.

Currently EFTEC Aviation Group supplies spare parts for CRJ's, Boeing, Airbus and Embraer aircraft families.

Today EFTEC Aviation Group is not only a spare parts supplier, but also a provider of complex solutions for aviation. We are happy to offer the following services to our clients:

- Spare parts procurement and supply
- MRO services (line and base maintenance)
- Engine and APU repairs
- Aircraft teardown
- Logistics and customs clearance services
- Aircraft brokerage
- «Power by the Hour» programs
- Home based stock

MRO services and engine repair service are provided by our sister companies Airline Support Baltic and Engine Support Baltic operating under EASA Part 145 accreditation.

A brand new engine shop was launched in 2017 and provides full range of overhaul services currently for GE CF34- 3 engine. The company plans to expand the capabilities in the nearest future.
